Take advantage of teachable moments.

**KEY QUESTION:** Can I believe what God says?

**BOTTOM LINE:**

**God does what He says He will do.**

**EVERY CHILD NEEDS TO KNOW...**

**God loves me.**

**TEACHABLE MOMENTS:** Your child is learning that she can trust God, just like Noah did when he built the ark. Gather some plastic tools, a tool belt, a measuring tape, some couch cushions, a few blankets, some stuffed animals, and toy food. Use the items to pretend to build the ark together. Build sections for the animals, a place to sleep, and storage for your food. Once you are done, climb in the ark (couch) and watch the rain come down.
