Take advantage of teachable moments.

**KEY QUESTION:** Can I believe what God says?

**BOTTOM LINE:**

**God does what He says He will do.**

**EVERY CHILD NEEDS TO KNOW...**

**God loves me.**

**TEACHABLE MOMENTS:** What a fun month of learning that **God does what He says He will do.** Today your child learned that Gideon's army won the battle, just like God said they would, even though they had far fewer men. Use the kazoo your child received at church to reenact Gideon's victory. Go outside and take turns trying to sneak up and surprise one another by blowing the kazoo. Remember to say, "For the Lord and Gideon" after you blow the kazoo each time.
